Northern Virginia Technology Council Announces the 2019 Tech 100 Honorees

NVTC's Tech 100 awards celebrate the most innovative technology companies and top tech executives in the region

Herndon, Virginia (November 19, 2019) - [The Northern Virginia Technology Council \(NVTC\)](#) today announced the 2019 NVTC Tech 100, a list of groundbreaking companies, leaders and innovators within the region's technology community. These technology companies and executives have demonstrated dedication, vision and innovation within the region's technology industry.

This year's program attracted over 180 nominations throughout the Greater Washington area. Each nomination was carefully reviewed and considered by a panel of judges that included Joel Kallett, Managing Director of ClearSight Advisors; Sam Maness, Managing Director of Defense and Government Services Investment Banking at Raymond James & Associates, Inc.; April L. Young, PhD, Managing Director at Hercules Capital; and Dendy Young, Managing Partner at McLean Capital, LLC. One hundred tech companies and 25 executives comprise the 2019 NVTC Tech 100 awards list. The honorees truly represent the region's diverse and thriving technology ecosystem.

"The current technology landscape in Northern Virginia is dynamic and I'm excited to see what the future holds," said Senator Mark R. Warner. "The NVTC Tech 100 is an impressive collection of businesses and individuals working to expand tech innovation in the region. I congratulate those working to make the technology community in Virginia one of the best and brightest in the nation."

"This summer, CNBC once again ranked Virginia as the top state for business. This region continues to showcase the nation's top technology companies and the brightest workforce," said Bobbie Kilberg, President and CEO, NVTC. "We are excited to announce this year's exceptional individuals and highly-regarded companies as the 2019 NVTC Tech 100 honorees."

The 2019 NVTC Tech 100 honorees will be celebrated at an exclusive party at the Ritz-Carlton, Tysons Corner on December 9, 2019. For more information about the event, please visit: <https://www.nvtc.org/events/geteventinfo.php?event=BANQUET16>

During the event, NVTC's [Veterans Employment Initiative \(VEI\)](#) Veterans Service Award winners will also be announced. This award recognizes the NVTC member companies who have demonstrated a superlative level of engagement with the VEI and support for the Veteran community.

Congratulations to the 2019 NVTC Tech 100 honorees:

About the Northern Virginia Technology Council

The Northern Virginia Technology Council (NVTC) is the membership and trade association for the technology community in Northern Virginia. As one of the largest technology councils in the nation, NVTC serves about 1,000 companies from all sectors of the technology industry, as well as service providers, universities, foreign embassies, nonprofit organizations, and governmental agencies. Through its member companies, NVTC represents about 350,000 employees in the region. NVTC is recognized as the nation's leader in providing its technology community with networking and educational events; specialized services and benefits; public policy advocacy; branding of its region as a major global technology center; initiatives in targeted business sectors and in the international, entrepreneurship, workforce and education arenas; and the NVTC Foundation, a 501(c)(3) nonprofit charity that supports the NVTC Veterans Employment Initiative and other priorities within Virginia's technology community.
